

Mohamed amine Benomar

Date of birth: 03/12/2003 | **Nationality:** Moroccan | **Gender:** Male | **Phone number:** (+212) 624557343 (Work) | **Email address:** aminbenomar454@gmail.com | **LinkedIn:** <https://www.linkedin.com/in/med-amine-benomar>

ABOUT ME

Full Stack Developer with strong passion and experience in building dynamic, scalable web applications. Skilled in both front-end and back-end technologies, I have a holistic approach to development and make sure that the client-side and server-side components are seamlessly integrated. I am well adapted to working collaboratively in fast-paced environments; I find my strengths in collaboration, problem-solving, a quickly adapting to new technologies. With a commitment to delivering high-quality solutions, I thrive in roles that challenge me to innovate and grow.
